

*Give a man a mile of road and he can travel a mile. Give him a mile of runway and he can travel the world.*

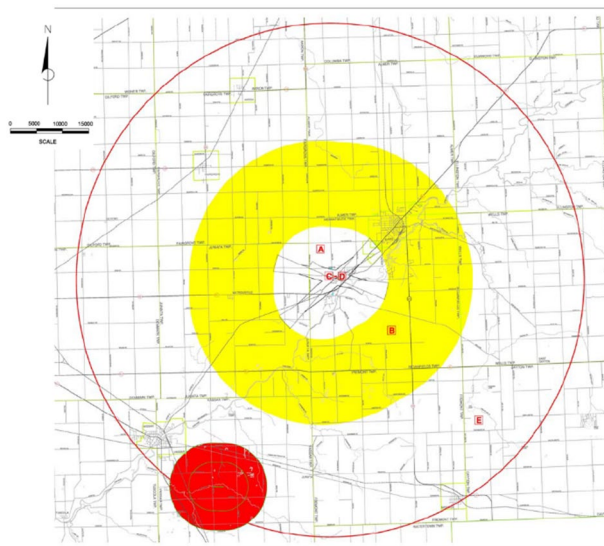

Tuscola Area Airport Authority 1750 Speirs Dr. Caro, MI 48723 989-673-4301  
AWOS: 989-672-4182

Construction inside the 10 mile radius of the KCFS airport requires approval from the following agencies.

1. Tuscola Area Airport Authority approval
2. Township Zoning
3. FAA approval
4. MDOT/Office of Aeronautics approval

TUSCOLA COUNTY AREA AIRPORT PERMIT THRESHOLDS

*Give a man a mile of road and he can travel a mile. Give him a mile of runway and he can travel the world.*

Tuscola Area Airport Authority 1750 Speirs Dr. Caro, MI 48723 989-673-4301  
AWOS: 989-672-4182

#### 1) Overview

- a) The Tuscola Area Airport Authority (TAAA) is the lawful Zoning Administrative Agency for the Tuscola Area Airport Zoning Ordinance, Tuscola County Ordinance #01-2010
- b) Contacting the TAAA:
  - i) Tuscola Area Airport Authority 1750 Speirs Dr., Caro, MI 48723
  - ii) 989-673-4301
  - iii) [caroairportmanager@tuscolairport.com](mailto:caroairportmanager@tuscolairport.com)

#### 2) Who must complete the Airport Zoning Permit Application?

- a) Any structure within a 10 mile radius of the airport that may affect protected airport surfaces or flight patterns.

#### 3) Fees

- a) \$250 per structure for less than 200'
- b) \$850 per structure for greater than 200'

#### 4) Required documents for Airport Zoning Permit Application:

- a) 2 Copies of approved land use permit
- b) 2 Copies of any FAA and MDOT/MAC documents
- c) 2 Copies of the site plan (see Section 4.2 B of the ordinance for details) Completed application
- d) Application fees

#### 5) Confirm application is compliant with the AIRPORT ZONING ACT Act 23 of 1950 (MCL 259.431–259.465), Michigan Aeronautics Commission and Tall Structures Act 259 of 1959.

- a) <https://www.legislature.mi.gov/documents/mcl/pdf/mcl-act-23-of-1950-ex-sess-.pdf>
- b) <https://www.legislature.mi.gov/documents/mcl/pdf/mcl-act-259-of-1959.pdf>
- c) <https://www.legislature.mi.gov/documents/mcl/pdf/mcl-act-259-of-1959.pdf>

#### 6) Additionally, but not limited to, conform to 259.482a, Sec. 2a. (1) and (2) such that any structure “must not obstruct or endanger aircraft operations, such as by penetrating protected airspace, disrupting radar or communication systems, or creating other safety risks.

- a) Sec. 2a. (1) The commission shall not issue a permit allowing construction, replacement, or an increase in
  - b) height of a structure that violates the requirements of an applicable zoning ordinance adopted by a political subdivision under the airport zoning act, 1950 (Ex Sess) PA 23, MCL 259.431 to 259.465, unless the applicant has obtained the approval of a variance from the ordinance and an airspace study has been conducted by the commission resulting in a finding of noninterference to air navigation.
- c) Sec. 2a. (2) Unless an airspace study has been made by the commission resulting in a finding of noninterference to air navigation, the commission shall not issue a permit allowing construction of any of the following structures, or replacement of or an increase in the height of a structure that creates any of the following structures:
  - i) (a) A structure that is over 500 feet above ground elevation at the structure's site and that is within 2 miles of a well-defined natural landmark such as a shoreline or river; a manmade landmark such

*Give a man a mile of road and he can travel a mile. Give him a mile of runway and he can travel the world.*

Tuscola Area Airport Authority 1750 Speirs Dr. Caro, MI 48723 989-673-4301  
AWOS: 989-672-4182

as a railroad, canal, or road; or a low altitude airway.

- d) (b) A structure of a height that would increase the minimum obstruction clearance altitude, the minimum safe altitude prescribed by the FAA, or the minimum altitude required for a safe instrument approach.
- e) (c) A structure that would encroach into a runway's primary surface.
- f) (d) A structure of a height that would penetrate a runway's approach surface.
- g) (e) A structure of a height that would penetrate a runway's transitional surface.
- h) (f) A structure of a height that would penetrate a runway's horizontal surface.
- i) (g) A structure of a height that would penetrate a runway's conical surface.
- j) (h) A structure that would encroach into a heliport primary surface.
- k) (i) A structure of a height that would penetrate a heliport approach surface

7) FAA and MDOT/Office of Aeronautics approval is required before applying for a local airport permit

- a) 14 CFR Part 77 Compliance
  - i) Create an account at <https://oeaaa.faa.gov/>
  - ii) File FAA Form 7460-1
- b) Height Restrictions: Any structure exceeding 200 feet above ground level requires a notice to the FAA, regardless of its location.
- c) If the construction is near an airport, height limits apply:
  - i) Within 20,000 feet of a public or military airport with long runways, structures exceeding a 100:1 slope from the runway need approval.
  - ii) Within 10,000 feet, the slope changes to 50:1.

8) Submission Process

- a) Read the TUSCOLA AREA AIRPORT ZONING ORDINANCE  
(<https://www.tuscolacounty.org/ordinance/doc/ordinances/Airport%20Ordinance.pdf>)
- b) Send completed application and required supporting documents to  
[caroairportmanager@tuscolaairport.com](mailto:caroairportmanager@tuscolaairport.com)
  - i) Or mail to Airport Zoning Admin, 1750 Speirs Dr., Caro, MI 48723
- c) Payment by check, made out to
  - i) Tuscola Area Airport Authority, 1750 Speirs Dr., Caro, MI 48723
- d) \$250 Height of 199ft or less
- e) \$650 Height of 200ft or more
- f) Sections 1 - 6 To Be Completed by Applicant
- g) Failure to provide complete information may result in a delay of review or denial of a permit.

9) Complete FAA for 7460-1, Notice of Proposed Construction or Alteration, and confirm that it has been submitted for review. Include a copy of that application and response letter from the FAA with this application along with any other supporting documentation.

- a) Create an account at <https://oeaaa.faa.gov/>

*Give a man a mile of road and he can travel a mile. Give him a mile of runway and he can travel the world.*

Tuscola Area Airport Authority 1750 Speirs Dr. Caro, MI 48723 989-673-4301  
AWOS: 989-672-4182

- b) Once logged in, you open a new case and provide all the details they request. Usually, it's details about the tower, elevation, location, and equipment being installed on the tower. They will eventually defer the case to MDOT. When they do, they include a form with instructions on submitting it to MDOT.

*Give a man a mile of road and he can travel a mile. Give him a mile of runway and he can travel the world.*

C. Please state the revised conditions you are seeking or to which you would agree to replace the standards from which you are seeking a variance:

---

---

IV. An airspace determination issued pursuant to 14 CFR PART 77 and the Michigan Tall Structure Act, a copy of FAA Form 7460-1, and a sketch of the property, must be included with this application. Applications without this information will not be accepted.

V. APPLICANTS FOR A VARIANCE MUST DEMONSTRATE THAT:

1. The proposed variance involves practical difficulties or would result in unnecessary hardship;
- AND
2. The proposed variance would protect the aerial approaches of the Tuscola Area Airport; and
3. The proposed variance would not destroy or impair the utility of the Tuscola Area Airport; and
4. The proposed variance would do substantial justice and be in accordance with the spirit of the Tuscola Area Airport Zoning Ordinance.
5. The requested variance would not be contrary to:
  - A. The public interest and safety of the public; nor to
  - B. The public interest and safety of the users of the Tuscola Area Airport; nor to
  - C. The public interest and safety of occupants of land in the vicinity of the Tuscola Area Airport; nor to
  - D. Nor to violation of any statute including the Michigan Airport Zoning Act
  - E. Any zoning ordinance or regulation of any political subdivision applicable to the same area.

Indicate your response to the items stated above:

1. 

---
2. 

---
3. 

---
4. 

---
5.
